

Payentry Time Management Version 1.46

The current release includes the following changes:

Development Tags

- Fixed How Obsolete Jobs Display on Closed Timecards
- Fixed Modified Timecard Indicator and Hover Details

Development Tags

Fixed How Obsolete Jobs Display on Closed Timecards (Dev Tag 59334)

Obsolete jobs on closed timecards will now be shown using description instead of ID.

Fixed Modified Timecard Indicator and Hover Details (Dev Tag 59129)

The following functionality, which was temporarily lost following the 1.45 release, has been re-introduced:

- If an In or an Out punch is modified on a timecard, that detail will be highlighted with red font.
- When hovering over an In or an Out punch, both the scheduled punch time as well as the actual punch time will be displayed as appropriate.
