Tax: Fixed End Date on 401k Benefit Code (M3-623)

We have identified an issue with the end date on the 401k benefit code. We corrected the end date to 12/31/2100 and fixed the issue. Please sync to receive this correction as soon as possible. There's a SQL query called "401KBenefitCodeIssueFinder.SQL" available on the MPAY SFTP site to identify any affected clients. If you are hosted, please reach out to the support team to run the query on your behalf.
